SPORMANSHIP / FAIR PLAY AWARD

The School Sport Australia Sportsmanship/Fair Play Award recognizes individual acts of sportsmanship and/or fair play by participants at School Sport Australia events.

Recipients of the award can be identified by the School Sport Australia National Secretary and/or the Event Convener. It is not compulsory to make awards and there is a recommended limit of 5 awards that can be presented at each School Sport Australia event.

The criteria for the award are:

- Demonstrated exceptional/outstanding acts of sportsmanship during and/or out of competition
- Demonstrated exceptional/outstanding acts of fair play during competition
- Demonstrated exceptional/outstanding acts of co-operation, courtesy and respect to officials and opposing players

The award Badges are available through School Sport Australia National Secretaries.

Awards are to be presented either on the spot at the time the acts of sportsmanship/fair play occur or at the nearest opportunity for presentation, eg. at the conclusion of the game.

The National Secretary should advise the relevant team management and record the name and State/Territory of all award recipients at each event.
